JJ Snider is the newest member of the Buckeye Family. The fourth grader has been adopted by the Buckeye family through the Friends of Jaclyn Foundation, a non-profit, charitable organization formed in 2005 that improves the quality of life for children with pediatric brain tumors and their families. JJ, along with his parents, Mike and Jodi, his sisters Mary and Joanna, and his brothers, Rudy and Michael, have spent time with the Buckeyes, coming out to practice, attending the team banquet and more. The Buckeyes have even cheered JJ on at his football games and doctor’s appointments.

SEASON OUTLOOK 2011

The Ohio State men's lacrosse team enters 2011 with high expectations. The squad, under third-year head coach Nick Myers, faces a tough schedule but has a strong group of veterans and a number of sophomores who gained valuable experience last season. Those groups will help bring the freshmen along quickly, with all the parts working together to push Buckeye men's lacrosse to success this season and beyond.

At attack, sophomores Logan Schuss and Jeff Tundo are back after leading the team in scoring as freshmen in 2010. Schuss was named the 2010 ECAC Rookie of the Year and an honorable mention All-American after posting a team-high 31 goals and 25 assists for a Buckeye rookie-record 56 points while starting all 15 games. Tundo had 35 points, with 20 goals and 15 assists, while starting all 15 contests. Senior Tyler Dolphin has seen limited action during his career but has a goal and two assists. Junior Mike Smail played in 12 games in 2010, with four starts, and had eight points with seven assists. Freshman Tyler Frederick was a three-year starter at McDonogh School, with 32 goals and 31 assists as a senior, and earned a spot on the Boy's 2010 All-Tewaaraton High School Team. Senior Scott Gerland has played in 13 games as a Buckeye.

The offensive midfield has a number of outstanding returnees. Sophomore Dominique Alexander, who was third on the team with 21 goals last year, will lead the way, joined by senior captain Jarred Bowman and senior Paul Beery. Bowman played in all 15 games last year and had seven points, with three goals and four assists, and has seen action in 31 games for the Scarlet and Gray. Beery played in 14 games in 2010, with five starts, and had three goals and three assists. He has competed in 26 games in his Buckeye career.

Seniors Zach Boyt and Mike Pires and sophomores Dan Wertz and Nick Liddil are all expected to see playing time in the offensive midfield. Boyt played in seven games in 2010 and has seen action in 21 career contests, with three starts. Pires has played in 40 games in his career, starting 15, and has 50 career points on 35 goals (including nine man-up tallies) and 15 assists. He had 12 goals and 19 assists a season ago. Wertz played in 14 games as a rookie and had seven points, with three goals and four assists. Liddil saw action in seven games as a true freshman. Others that will compete for playing time include junior Eddie Bambino, sophomore Nick DePhillips, freshmen Mike Italiano and Justin McGinnis and junior Scott Morell. Bambino played in 12 games

last year, scoring three goals, and has seen action in 28 games for the Scarlet and Gray, with nine career goals. DePhillips saw limited time in 2010, playing in four contests. Italiano, from Waxhaw, N.C., and Charlotte Catholic, was a two-time first team all-state selection and had 50 goals and 84 points as a senior, while McGinnis, a product of Cathedral and the Hotchkiss School, was a two-time All-American and a three-time all-state honoree in Indiana. Morell has a goal and an assist in his five games played.

The defensive midfield will be led by senior captains Scott Lathrop and Bryce Woodson and sophomore Kevin Mack. Lathrop and Woodson each played in 15 games in 2010, with Lathrop seeing action in 48 career games and Woodson playing in 38 for the Scarlet and Gray. Lathrop has 39 career groundballs, with Woodson scooping 22. Woodson has seven career assists and points and Lathrop has two goals, three assists and five points as a Buckeye. Mack played in 12 games his rookie year and had 12 groundballs. Patrick Toohey, who played in one game as a freshman, will battle for time at d-middle, along with freshman Jake Sharick, an All-American and All-Ohio honoree at Thomas Worthington High School.

Captains Brock Sorensen and Conor David will anchor the Buckeyes at the long-stick midfield position. Sorensen, a junior, has played in 29 games for the Scarlet and Gray, including 13 last year with 10 starts, and has 36 groundballs, five goals and eight points in his career. He had 11 recorded caused turnovers in 2010. David played in all 15 games last year, with 23 groundballs. He has played in 34 games for the Scarlet and Gray, with 37 groundballs and 16 caused turnovers. Mark Crawford, a sophomore who played in two games a year ago, will compete for playing time. Joe Meurer, who played at McDonogh School and was the winner of the C. Markland Kelly Award as the best player in the state of Maryland, is expected to contribute right away for the Buckeyes. He was one of 11 players named to the Boy's 2010 All-Tewaaraton High School Team.

The Buckeye defense features five returnees, led by juniors Joe Bonanni and Keenan Ochwat and redshirt junior Matt Kawamoto. Bonanni played in all 14 games last year, starting the last 14 contests, and was second on the team with 14 caused turnovers. He has started played in 25 games for the Scarlet and Gray and has 25 career groundballs, including 21 last year. Ochwat had 34 groundballs in 2010

to rank third on the team while playing in all 15 games with two starts. He had 11 caused turnovers as a sophomore and has 17 in his career, along with 55 groundballs. Kawamoto was injured four games into the 2010 campaign, already recording six groundballs and four caused turnovers before his season was cut short. He has played in 32 career games, with 19 starts, and has 31 groundballs and 15 caused turnovers. Jordan Levack, a junior, and senior Packy Campbell saw limited time in 2010. Freshman Dominic Imbordino, who played scholastically at St. Charles North, was a second-team All-Illinois player while serving as team captain.

At the faceoff X, sophomore Trey Wilkes is the top returnee. He took the majority of the team's faceoffs last year, recording 94 wins (including 18 at Robert Morris) and a team-high 41 groundballs. Senior TJ Powell, has seen action in 23 games for the Scarlet and Gray and played in 11 a season ago. Freshman Shawn Kaplan, a product of Plymouth Whitemarsh High School in Pennsylvania, was a three-time Suburban One League honoree and led his squad in groundballs four-consecutive years. Rookie Steve Knezick, from Columbus, New Jersey, played for Northern Burlington County and Bridgton Academy. He was a first team all-conference and

honorable mention all-state honoree in 2009.

Three Buckeyes will battle for playing time in the cage. Sophomore Ryan Brant played in five games last year, with one start (7.60 goals-against average, .619 save percentage). A finalist for Maryland's state player of the year award, freshman Greg Dutton was a three-year starter at Calvert Hall and earned the Tim Wynne Award given to the outstanding goalie in Maryland. Senior Ryan Keneally has played in two games for the Scarlet and Gray, with an .889 save percentage.

COMMENCEMENT

Graduation day at The Ohio State University is one of the most gratifying moments a student-athlete can experience. Notables such as Bill Cosby, Bill Clinton, the late Christopher Reeve and President George W. Bush have given the commencement address at OSU.

At Ohio State, education extends beyond the classroom and the practice field. Many students enhance their academic and career experiences through the numerous co-op, internship, and more than 100 study abroad opportunities. Many other students get involved in innovative research projects that have a lasting and direct impact on the community. What are you into? Chances are, one of Ohio State's **500 student organizations** is right up your alley.

ACADEMICS SUPPORT SERVICES

Student-Athlete Support Services Office (SASSO) at The Ohio State University is **committed** to a comprehensive program of academic and personal development for student-athletes. We provide athletic academic counseling in conjunction with academic advising across the university to ensure seamless academic support. We collaborate with the Department of Athletics and other university units to enhance academic, personal, and career development programming, and we partner with the community to bring service and career opportunities to student-athletes.

Under the direction of the Office of Academic Affairs, SASSO has an extensive staff of 23 to serve students, made up of athletic academic counselors, assistant counselors, learning specialists, assistant learning specialists, academic resources coordinator, math specialist, and reading and writing specialists. There is a large staff of tutors and study table monitors as well.

Together, we assist more than 1,000 student-athletes in all areas of academic support, from career counseling and planning to honors placement and early registration. An athletic academic counselor is assigned to each team to provide individualized attention to student-athletes. Additionally, students are provided subject tutors, study tables and study skills instruction as well as access to a computer lab and printer to help reach academic goals.

Ohio State is serious about the role it plays in the lives of its student-athletes and for that reason has systematically designed programs to meet their needs. Upon graduation, students will receive more than just a handshake and diploma. Backed by one of the largest alumni associations in the nation, an OSU degree will be their ticket to career opportunities around the world

CHAMPS/LIFE SKILLS

Ohio State student-athletes are encouraged to become involved in more than just athletics. One of the most innovative and noteworthy initiatives fueling this effort is the CHAMPS/Life Skills Program (Challenging Athletes' Minds for Personal Success). To serve our diverse population we follow the five programming commitments of the NCAA model of CHAMPS/Life Skills: academics * athletics * personal development * career development * community service

ASSOCIATE VICE PRESIDENT/DIRECTOR OF ATHLETICS GENE SMITH

Gene Smith is in his fifth year as director of athletics at The Ohio State University. He was named to his current position on March 5, 2005. On March 17, 2008, Gordon Gee, president of The Ohio State University, promoted Smith to university assistant vice president/director of athletics and he has since been named associate vice president/director of athletics.

Smith is the eighth person to hold the athletics director position at Ohio State and the first African-American to do so. He previously served as director of athletics at Arizona State, Iowa State, and Eastern Michigan Universities, and is entering his 24th year in the role.

At Ohio State, the 53-year old Smith oversees one of the nation's largest and most successful college athletic programs. The Buckeyes have 36 fully-funded varsity sports and more than 1,000 student-athletes. The department of athletics is completely self supporting and receives no university funds, tax dollars or student fees. In fiscal year 2008-09, the department transferred nearly \$26 million in assessments to the university, including more than \$13 million in grant-in-aid reimbursement. In Smith's first three years at Ohio State, the department of athletics finished in the black financially and increased its reserve fund.

Upon arriving at Ohio State, Smith quickly established himself as a respected and thoughtful leader, both within the university and the community. In the spring of 2007, he unveiled a five-year strategic plan, reflecting the department's goals and values. The strategic planning process, inclusive of the entire department, emphasized the development of the total student-athlete.

Under Smith's leadership, The Ohio State Department of Athletics was honored in the spring of 2008 with the Diversity in Athletics Award in the category of Overall Excellence in Diversity. Smith accepted the honor at the 43rd annual National Association of College Directors of Athletics Convention in Dallas.

Shortly after Ohio State was honored as a department for its dedication to diversity, Smith was individually recognized for his contribution to the sport of football.

The National Football Foundation & College Hall of Fame, announced in June of 2008 the recipients of the NFF's 2008 Major Awards. Smith was honored officially Dec. 9, 2008 in New York with the John L. Toner Award. Presented annually, the Toner Award is given to a director of athletics who has demonstrated superior administrative abilities and shown outstanding dedication to college athletics and particularly college football.

Smith was recently appointed to the Governing Board of Trustees of the Lincoln Theatre Association. He was named to the position by the Franklin County (Ohio) Board of Commissioners. It is a three-year appointment effective March 10, 2009.

Nationally, Smith is involved with USA Basketball as a member of the Finance & Audit Committee. That appointment was made March 25, 2009. The Finance & Audit Committee is responsible for making recommendations to the Board regarding the organization's financial investments, reviewing independent auditors for USA Basketball and, if necessary, oversight, implementation and compliance with the USA Basketball Code of Ethics.

Smith has an exemplary record of national leadership and service. In 2007, he served as president of the Division 1-A Athletic Directors Association. He is entering his third year on the prestigious NCAA Men's Basketball Committee and was appointed chair of the committee for the 2010-11 academic year, with his term as chair beginning Sept. 1, 2010. Smith was recently named to the newly created Basketball Academic Enhancement Group, a 27-member panel charged with developing strategies to enhance academic performance and graduation rates in Division I men's basketball.

Smith is past president of the National Association of Collegiate Directors of Athletics (NACDA) and was that organization's first African-American president. He also has served on the NCAA Management Council, the NCAA Committee on Infractions, the NCAA Executive Committee, the NCAA Football Rules Committee, the President's Commission Liaison Committee, the NCAA Baseball Academic Enhancement Task Force, and the National Football Foundation Honors Court, among others.

In recognition of his service, Smith was named by Black Enterprise Magazine as one of the "50 Most Powerful African American in College Sports." In 2007, he was named to NACDA's inaugural "Legends Class," and was also named Athletic Administrator of the Year by the Black Coaches Association (BCA). In 2002-03, he received NACDA's AD of the Year honors for the Division 1-A West Region.

Smith grew up in Cleveland, Ohio, and attended the University of Notre Dame on a football scholarship. He played four years of football as a defensive end for the Irish and was a member of the 1973 Associated Press national championship team. Smith received his bachelor's degree in business administration from Notre Dame in 1977. Following graduation, he joined the Notre Dame coaching staff under Dan Devine and remained in that capacity until 1981. The 1977 Notre Dame team captured the undisputed national championship.

Smith left Notre Dame following the 1981 season to accept a marketing position with IBM. He returned to college athletics in April of 1983 as assistant athletics director at Eastern Michigan University. In 1985, he was appointed as interim director of athletics at Eastern, a position he held until 1986 when he became the director on a full-time basis.

In 1993, Smith was named director of athletics at Iowa State University. He moved to Arizona State as director of athletics in 2000.

As a former college athlete and coach, Smith is passionate about the well being of student-athletes. "We want to create an environment for our student-athletes to be successful academically, athletically and socially," he says. "The student-athlete experience provides teachable moments that prepare young women and men for success in life."

Smith is active in the Columbus community and is a member of the board of the YMCA of Central Ohio. He also is active with the Bell Center for African American males on Ohio State's campus.

Gene and his wife, Sheila, have four children: Matt, Nicole, Lindsey and Summer, and two grandchildren: Marshall and Steele. Sheila, a 1976 Canadian Olympian in basketball, holds a doctorate in higher education administration and is an associate vice president for development at Ohio State.

DEPARTMENT OF ATHLETICS

The varsity program is respected as one of the most comprehensive in all of college athletics and is 36 sports strong – 16 for men, 17 for women and three coed. The department operates on a budget in excess of \$100 million. Each year, Ohio State teams claim numerous Big Ten championships, compete in NCAA tournaments and vie for national titles while producing countless individual conference and national champions, All-America performers and scholar-athletes.

Ohio State's Department of Athletics is under the direction of Eugene Smith. Just the eighth athletics director in Ohio State history, Smith has developed a vision that will keep the Buckeyes among the nation's elite in the 21st century.

Ohio State is recognized across the country as a leader in collegiate athletics. More than 1,000 student-athletes participated in 2009-10.

With rich tradition as a foundation and with state-of-the-art facilities, such as Bill Davis Stadium, Value City Arena at the Jerome Schottenstein Center, Jesse Owens Memorial Stadium, the Younkin Success Center and Ohio Stadium, the Buckeyes' outlook for the future appears even brighter than their glorious past.

WHAT IS A BUCKEYE?

A small, shiny, dark brown nut with a light tan patch that comes from the official state tree of Ohio, the buckeye tree. According to folklore, the Buckeye resembles the eye of a deer and carrying one brings good luck. "Buckeyes" has been the official Ohio State nickname since 1950, but it had been in common use for many years before.

The first recorded use of the term Buckeye to refer to a resident of the area was in 1788, some 15 years before Ohio became a state. Col. Ebenezer Sproat, a 6-foot-4-inch man of large girth and swashbuckling mannerisms, led the legal delegation at the first court session of the Northwest Territory in Marietta. The Indians in attendance greeted him with shouts of "Hetuck, Hetuck" (the Indian word for buckeye), it is said because they were impressed by his stature and manner. He proudly carried the Buckeye nickname for the rest of his life and it gradually spread to his companions and other local settlers. By the 1830s, writers were commonly referring to locals as "Buckeyes."

OHIO STATE TRADITIONS

BUCKEYE LEAVES

A round white decal, about the size of a quarter, with a green depiction of a buckeye leaf is applied to Ohio State football helmets for big plays and consistency on the field. This tradition started in 1968 when football coach Woody Hayes and longtime trainer Ernie Biggs changed the look of the Ohio State uniforms. Many of the sports at Ohio State incorporate Buckeye Leaves into their equipment and uniforms.

SCRIPT OHIO

The signature formation of the Ohio State University Marching Band performed before, during halftime or after home football games is Script Ohio.

Each time the formation drill is performed, a different fourth- or fifth-year sousaphone player has the privilege of standing as the dot in the "i" of "Ohio."

At exactly 16 measures from the end of "Le Regiment," the drum major struts out toward the top of the "i," with a senior sousaphone player high-stepping a couple of paces behind. As the crowd's cheering crescendos, the drum major stops and dramatically points to the spot where the sousaphone player then assumes the post of honor, doffs his or her hat and bows deeply to both sides of the stadium.

Woody Hayes, Bob Hope and Jack Nicklaus are among the select few non-band members who have had the honor of dotting the "i."

First performed at the OSU-Pittsburgh football game Oct. 10, 1936, Script Ohio was named one of Athlon Sports' 10 Greatest Football Traditions in 1999.

BRUTUS BUCKEY

One of the more visible symbols of Ohio State athletics is Brutus Buckeye, the school's mascot. In 1965, an art student designed and introduced the first Brutus, while the name was chosen in a contest. The mascot began as a hardened paper mache affair that looked like a bowling ball with legs. In 1975, a radical new Brutus was designed with a prune-like head and a man's body. That attempt was booed off the field and was re-worked, giving way to a mascot comparable to the beloved present-day Brutus.

The original choices for Ohio State's mascot included a ram, an elk, a moose and the leading candidate, a male deer. Due to the skittish nature of deer, the idea of a mascot was tabled until January 1941 when "Chris," a German police dog owned by an assistant cheerleader, made an appearance at a basketball game. The dog's career was short-lived and OSU remained without an official mascot until the 1960s.

SCHOOL SONGS

Ohio State proudly boasts an alma mater (Carmen Ohio), two fight songs (Across the Field and Buckeye Battle Cry) and a state rock song (Hang on Sloopy).

BUCKEYE BATTLE CRY

In old Ohio there's a team
that's known thru-out the land;
Eleven warriors, brave and bold,
whose fame will ever stand.
And when the ball goes over,
our cheers will reach the sky,
Ohio field will hear again
The Buckeye Battle Cry –

Drive! Drive on down the field,
Men of the scarlet and gray;
Don't let them thru that line,
We have to win this game today,
Come on, Ohio!
Smash through to victory.
We cheer you as you go:
Our honor defend
We will fight to the end for O-hi-o.

ACROSS THE FIELD

Fight the team across the field,
show them Ohio's here
Set the earth reverberating
with a mighty cheer Rah! Rah! Rah!
Hit them hard and see how they fall;
Never let that team get the ball,
Hail! Hail! the gang's all here,
So let's win that old conference now.

SCARLET AND GRAY

Ohio State's official school colors since 1878, scarlet and gray were chosen by a group of three students in a lecture room in University Hall because "it was a pleasing combination ... and had not been adopted by any other college," noted selection committee member Alice Townshend Wing.

TBDBITL

"The Best Damn Band in the Land" is the 225-member, all-brass Ohio State University Marching Band that formed in 1879 as a military band. Also known as "The Pride of the Buckeyes," the band perhaps is best known for the incomparable Script Ohio. Another band tradition of note is the "skull session," a warmup concert/pep rally in St. John Arena, open to the public before every home football game that allows the band to play and "think through" the show one last time. More than 10,000 fans regularly attend each skull session.

CHEERLEADERS

Buckeye cheerleaders are a constant source of support at all athletics events. The squad took second at the 2001 College Cheerleading National Championship, its highest finish since winning the 1993 title, and has placed first in the northeast region in 19 of the last 21 years. The squad was 15th at the 2008 national championships. The cheerleaders make appearances all over the state of Ohio throughout the year.

CARMEN OHIO

Oh! Come let's sing Ohio's praise, And songs to Alma Mater raise;
While our hearts rebounding thrill, With joy which death alone can still.
Summer's heat or Winter's cold. The seasons pass, the years will roll;
Time and change will surely show, How firm thy friendship O-HI-O.

MAKING GREAT PLAYERS ELITE ATHLETES

SPEED, POWER, STRENGTH

Ohio State student-athletes benefit from a comprehensive and individualized strength and conditioning program designed to ensure the highest possible level of physical readiness.

Anthony Glass, director of athletics strength and conditioning for Olympic sports, and staff provide instruction specific to the individual, both in and out of season, and in collaboration with the Ohio State training and medical staffs.

Glass and his staff challenge the Buckeye contingency even further in the weight room in the areas of leadership, work ethic, attitude and ability with an annual Buckeye Power Club Award. Athletes from each varsity team who exemplify the highest levels of achievement are honored at the end of each school year with the award and in turn become eligible for National Strength and Conditioning Association All-America honors.

FIRST CLASS PHYSICIANS

Dr. Chris Kaeding is the head team physician for the Ohio State Department of Athletics and also serves as co-director of the OSU Sports Medicine Center. Dr. Kaeding oversees a staff of the finest sports medicine physicians, surgeons, dentists and counselors who monitor the overall well-being of each student-athlete on a year-round basis.

NCAA COMPLIANCE REGULATIONS

The Ohio State University Athletics Compliance Office is committed to a comprehensive compliance program that educates everyone about the importance of adhering to NCAA, Big Ten, and institutional rules. We strive to create a "compliance conscience" within the university and throughout the community.

The commitment to compliance ensures institutional control over the department of athletics and furthers the mission of The Ohio State University. The existence of a successful compliance program depends on the willingness of coaches, administrators, staff, student-athletes and boosters to be cognizant of NCAA, Big Ten and institutional rules.

WHAT IS COMPLIANCE?

At Ohio State, the athletics compliance office works within the department of athletics and the university to ensure Ohio State's compliance with all applicable rules. In doing so, the compliance office is charged with the following tasks:

- Educating administrators, coaches, staff, prospects, student-athletes and boosters about NCAA, Big Ten and institutional rules;
- Developing monitoring systems to ensure compliance with these rules. These systems are designed to monitor rules pertaining to recruiting, academic eligibility, financial aid, awards, extra benefits, ethical conduct, amateurism, agents, employment, occasional meals and the playing and practice seasons for each sport; and
- Investigating and reporting violations of NCAA, Big Ten and institutional rules to the appropriate governing authority.

ARE YOU A BOOSTER?

You are a booster if you are or ever have:

- Been a member of a booster organization that supports Ohio State athletics;
- Made any financial contributions to any area of Ohio State;
- Made any annual or lifetime membership commitment to a booster organization;
- Been involved with the recruitment of a prospect;
- Provided benefits to an enrolled student-athlete or their relatives or friends;
- Been involved in promoting Ohio State's athletic program;
- Provided or helped to arrange employment for student-athletes;
- Participated in a group loosely associated with the athletics department (e.g., "Friends Of" group);
- Been a season ticket holder.

ONCE A BOOSTER ... ALWAYS A BOOSTER.

According to the NCAA, once an individual has been identified as a booster, he or she retains this identity forever.

If you do not meet the definition of a booster, you can still be classified as a booster if you provide benefits to prospects, student-athletes, their relatives or friends and any of the following statements are true.

- The relationship between the athlete (or parents of the athlete) and the individual providing the benefits developed as a result of the athlete's participation in athletics or their reputation as an athlete;
- The relationship began only after the athlete became a prospect;
- The relationship began only after the athlete had achieved notoriety because of his or her athletic ability or reputation; or
- The pattern of giving increased after the athlete attained notoriety as a skilled athlete.

WHAT IS AN EXTRA BENEFIT?

A recruiting inducement or extra benefit is any special arrangement by an Ohio State University employee or booster to provide a prospect, a student-athlete or their relatives or friends a benefit not expressly authorized by the NCAA. Examples of impermissible extra benefits include but are not limited to:

- cash or any type of gifts;
- loans or cosigning of loans;
- vehicle or the use of a vehicle;
- payment for or arrangement of transportation costs;
- free or reduced cost goods or services;
- free or reduced cost housing;
- concert or sporting event tickets; or
- any item not expressly permitted under NCAA rules

WHAT ARE THE CONSEQUENCES?

Ohio State is responsible for the actions of its boosters. If a booster provides an impermissible benefit to a prospect, a student-athlete, or their relatives or friends, Ohio State may be subject to penalties, even if the student-athlete has completed his or her eligibility. The prospect or student-athlete who accepts an impermissible benefit jeopardizes his or her eligibility for intercollegiate competition. A booster who provides an impermissible benefit may be disassociated from the university's athletics program. Disassociation results in a loss of all benefits or privileges offered by the department of athletics and may involve other penalties as appropriate.

GOT QUESTIONS? ASK COMPLIANCE.

The provided information is a brief overview of compliance and rules pertaining to boosters and their interactions with prospective and current student-athletes. It is not an exhaustive discussion. If you have any questions about any NCAA, Big Ten or institutional rules, please contact the Athletic Compliance Office at (614) 292-2681 or via email at compliance@buckeyes.ath.ohio-state.edu.

BIG LIFE. BIG STAGE. BIG TEN.

JAMES E. DELANY

Big Ten Conference Commissioner

Only the Big Ten's fifth commissioner since its founding in 1896, James E. Delany enters his 21st year in that role. He has led the Big Ten through significant periods of change and growth that have helped the conference maintain its preeminent position as one of the nation's leaders in providing quality athletic and academic experiences for young people.

STUDENT-ATHLETE OPPORTUNITIES

- Big Ten universities provide approximately \$100 million in direct financial aid to more than 8,500 men and women student-athletes who compete for 25 championships, 12 for men and 13 for women.
- Conference institutions sponsor broad-based athletic programs with more than 270 teams. Other than the Ivy League, the Big Ten has the most broad-based athletic programs in the United States.

TOP ACADEMIC INSTITUTIONS

- Big Ten universities are members of the nation's only conference whose constituency is entirely composed of institutions that are members of the AAU, a prestigious association of major academic and research institutions in the United States and Canada.

MORE TELEVISION EXPOSURE

- The Big Ten's media agreements with CBS Sports, ABC/ESPN, the Big Ten Network and CBS College Sports Network provide the conference with its greatest television exposure ever.
- In 2006, the Big Ten created the first national conference-owned television network devoted to the athletic and academic programs of a single conference. The Big Ten Network launched on Aug. 30, 2007, and became the first new network in cable or satellite television history to reach 30 million homes in its first 30 days. The Big Ten Network is now available to more than 70 million homes nationally through agreements with more than 250 cable/satellite affiliates and appears in 23 of the top 25 national media markets.
- Since the current media agreements began in 2007-08, every home football and men's basketball game has been produced while women's basketball has received more coverage than any other conference.
- The Big Ten's new media agreements have resulted in the broadcast of more than 500 events nationally and regionally on an annual basis, compared to 300 events in the final year of the previous agreements.

NATION'S BEST FANS

- Big Ten fans are some of the nation's most supportive, with more than 8.7 million patrons attending conference home contests during the 2008-09 seasons for football, men's and women's basketball and volleyball alone.
- Over the last 31 seasons, the conference has ranked either No. 1 or No. 2 nationally in football, men's basketball and wrestling attendance. For the past 17 seasons, women's basketball has been ranked either No. 1 or No. 2 nationally in attendance.
- Big Ten institutions have more than 4.2 million living alumni and over 300,000 undergraduate students attending their universities.

The Big Ten Conference is a union of 11 world-class academic institutions who share a common mission of research, graduate, professional and undergraduate teaching and public service. The conference's 100-plus years of history, strong tradition of competitive intercollegiate athletic programs, vast and passionate alumni base, and consistent leadership in innovations position the Big Ten and its entire community firmly on the Big Stage.

The Big Ten has sustained a comprehensive set of shared practices and policies that enforce the priority of academics and emphasize the values of integrity, fairness and competitiveness in all aspects of its student-athletes' lives, with the ultimate goal of ensuring that each individual has the opportunity to live a Big Life.

SUCCESSFUL PROGRAMS

- During the 2008-09 season, the Big Ten claimed five team national championships, including titles for Iowa wrestling, Penn State fencing and women's volleyball, Northwestern lacrosse and Wisconsin women's ice hockey. In addition, Big Ten teams finished as the national runners-up in men's basketball and men's gymnastics.
- Big Ten teams have claimed at least three national titles in nine of the last 10 seasons (1999-2000 through 2008-09). Over the last decade, the Big Ten has produced team national crowns in the sports of basketball, cross country, fencing, field hockey, football, golf, gymnastics, ice hockey, lacrosse, soccer, softball, synchronized swimming, tennis, track and field, volleyball and wrestling.

LEADERSHIP IN GENDER EQUITY

- Since 1992, the Big Ten has shown a strong commitment to increasing opportunities for women in sports and exposure of women's athletics by establishing a multi-phased gender equity program. In that time, the Big Ten has created in excess of 2,000 new opportunities for women student-athletes and established 28 new women's teams, while expanding the number of women's championships to 13 by adding field hockey, soccer and rowing.
- As part of the gender equity action plan, the Big Ten was the first conference to voluntarily adopt male/female participation goals for student-athletes in 1992. The Big Ten initiated a five-year plan for conference members to commit to a 60 percent/40 percent male-to-female student-athlete participation ratio. This was achieved as a conference by 1997 and 2000 was the first year that all institutions individually met this goal. As part of its commitment to gender equity, the Council of Presidents/Chancellors annually monitors this policy. During the 2007-08 year, all institutions were in compliance and the conference averaged a 52/48 male-to-female participation ratio.

BUILDING THE FUTURE

- In 1989, the Big Ten created a community outreach program—SCORE (Success Comes Out of Reading Everyday), which partners the conference with two Chicago elementary schools to improve reading performances. What began with one school, two grade levels and five classrooms has grown in its 20th year to include grades kindergarten through eighth, encompassing all classes and students at Melody School and Louis Armstrong School.
- Following the national tragedy on Sept. 11, 2001, the Big Ten, through its intercollegiate athletic department revenues, pledged a \$1 million scholarship contribution to assist the families of those affected by the terrorist attacks. The conference's donation is called the "Big Ten 9-11 Scholarship Fund", and the \$1 million contribution will be drawn from conference reserves which are generated as a result of football and men's basketball participation in NCAA, bowl and regular-season television opportunities.
- The Big Ten has established numerous community programs surrounding the Big Ten Men's and Women's Basketball Tournaments, including the Wayne Duke Postgraduate Award Scholarship, the Big Ten Career Fair, the Hoops Day 5K and a partnership with the Pink Ribbon Connection, a local breast cancer organization.

HEAD COACH NICK MYERS

THIRD SEASON,
SPRINGFIELD '01

Nick Myers is now in his third season as head coach for the Ohio State men's lacrosse team. Myers took over as head coach July 10, 2008 after three seasons as the top assistant for the Buckeyes. He is the 13th head coach in the 62 years of the program.

The Buckeye Lacrosse Family continues to reach goals each year. In 2010 the squad surpassed 500 community service hours, working with a wide variety of organizations on campus and around Central Ohio. More than half the squad was invited to the Ohio State Scholar-Athlete Dinner, as 26 Buckeyes posted a cumulative grade point average of 3.0 or greater. In all, the squad combined for a 3.02 gpa.

In his first season at the helm of the Buckeye program, Myers led Ohio State (8-8) to a spot in the Great Western Lacrosse League championship game after a third-place finish in the league's regular-season standings despite losing two All-Americans and four all-conference selections from the 2008 squad that reached the NCAA quarterfinals.

Under Myers' tutelage, senior All-American Joel Dalgarno, who finished his career as Ohio State's all-time leading goal scorer and ranks second all-time in points, led the GWLL and was sixth nationally with 3.81 points per game. Dalgarno was joined on the All-GWLL first team by senior defenseman Scott Matthews and another five Buckeyes earned spots on the all-conference second team in midfielder James Green, attackman Jeff Ryan, defensemen Scott Foreman and Matt Kawamoto and goalie Brandon Freeman. Twenty-one Buckeyes were named Ohio State Scholar-Athletes and 16 received Academic All-Big Ten honors.

Continuing the "Showdown in the Shoe," Ohio State surpassed its own national men's lacrosse records for regular-season and on campus attendance set in 2008 when it took on No. 3 Notre Dame in front of 30,192 fans April 25, 2009 in Ohio Stadium.

In 2010, the Buckeyes (7-8) faced one of the toughest schedules in the nation as they began play as a member of the ECAC Lacrosse League. The squad had a 5-2 ledger at home, and highlighting the home slate was the third-annual Showdown in the Show when the Buckeyes topped Air Force with a record attendance of 31,078.

Myers and his staff guided Logan Schuss to league rookie of the year honors as he became the first Buckeye freshman to nab All-America honors after leading the ECAC in points per game. Schuss was a first team all-conference selection, while senior Scott Foreman nabbed a second-team spot.

Myers, who began his coaching career as the volunteer coach for the Buckeyes for two seasons (2002, '03), spent the 2004 and '05 campaigns as the top assistant coach at Butler before rejoining the Buckeye staff in 2006.

As the top assistant under Joe Breschi his last three seasons, Myers served as the

offensive coordinator for the Buckeyes, oversaw recruiting and handled other aspects of the day-to-day operation of the men's lacrosse program.

In 2008, Myers helped guide the Buckeyes to a share of the Great Western Lacrosse League regular-season title and an at-large berth into the NCAA tournament. The team downed Cornell on the road for the program's first NCAA tournament victory and berth in the quarterfinal round. He was the offensive coordinator as the Buckeyes ended the season third in the NCAA in scoring offense (13.2 goals per game) and extra-man offense (45.7 percent). Ohio State ended 2008 ranked seventh nationally.

Myers also was on the Buckeye staff when the squad earned a spot in the NCAA tournament in 2003, the first appearance in program history, and shared the GWLL title.

Myers played for Springfield College in Massachusetts, earning Division III All-America honors in 2001. He was a three-time All-NEWMAC selection and was the 2000 conference player of the year.

A native of Kennebunk, Maine, Myers graduated from Kennebunk High School in 1997. He was a two-time high school All-American and participated in the 1997 North-South All-Star Game.

Myers graduated from Springfield with a degree in sports studies/physical education in 2001. He married the former Julie Cowles, also a Springfield College graduate who now is a physical education teacher at Walnut Springs Middle School, Aug. 19, 2006. The couple, whose first son, Mason, was born in May 2010, lives in Columbus.

Myers' brother, Pat, was a four-year letterwinner for the Buckeyes from 2000-03, a two-time All-Great Western Lacrosse League honoree and the conference rookie of the year in 2000. He now is the first assistant coach and offensive coordinator at North Carolina after stints at Cornell and Bucknell.

To be the best player and the best coach you must be a student of the game. To understand the history of the sport of lacrosse, to study the role of each player on and off the field, to see the entire picture of each players' role and what they bring to the team's success is the legacy of coaching I get to pass along. I have been truly blessed with the opportunity to teach the game I love and a game which has impacted me in such a tremendous way. I cherish the rewards received as a coach working with student-athletes and working to gain a better understanding of the ups and downs of the profession every day. I rely on experience and an incredible circle of both family and mentors I have been associated with to guide me on this journey. Each day represents my continued effort to grow and learn in pursuit of my vision as both a teacher and coach. When all is said and done, this is the legacy I pass down to each player I have the privilege of working with that they take into their own future endeavors.

ASSISTANT COACH ANDREW BAXTER

THIRD SEASON

Andrew Baxter is in his third season as the top assistant coach for Ohio State. Baxter came to the Buckeyes following four seasons as the first assistant at Drexel University and five years overall with the Dragons.

Baxter is the defensive coordinator for the Buckeyes in addition to leading recruiting efforts.

He served as the offensive coordinator for Drexel from 2004-06 before switching to the defensive coordinator role in 2007. Under Baxter, the Dragons flourished on defense, ranking seventh nationally in scoring defense in both 2007 and 2008. They also recorded the nation's fifth highest face-off win percentage in 2008 en route to winning the Colonial Athletic Association regular season championship. Prior to his time at Drexel Baxter spent two years (2003-04) on the sidelines at Colgate.

Baxter earned his bachelor's degree in movement and sport studies from Springfield College in 2001, where he played two seasons with Buckeye head coach Nick Myers and helped lead the team to two Division III NCAA Tournaments.

A native of Rochester, N.Y., Baxter graduated from Brighton High School. He and his wife, the former Marika Hartog, also a Springfield College graduate, were married June 7, 2009. The couple resides in Columbus with their daughter, Rae, who was born Nov. 10, 2010.

ASSISTANT COACH DAVE DOBBINS

SECOND SEASON

Dave Dobbins is in his second season as an assistant coach at Ohio State. Dobbins joined the Buckeyes after serving six years as an assistant coach at Salisbury University (Md.) with one of the most successful collegiate men's lacrosse programs in the country.

Dobbins works primarily with the Buckeye offense, as well as with face-off specialists and special teams.

The 2005 Division III Assistant Coach of the Year, Dobbins served on the staff at Salisbury from 2003-09. The Sea Gulls won four Division III National Championships and were a national runner-up once during Dobbins' tenure. He coached 47 All-Americans, including 19 at midfield, and five national players of the year. Prior to joining the Salisbury staff, Dobbins coached two seasons at the middle and high school levels in New York.

Dobbins was a four-year letter winner at Colgate University. The Webster, N.Y., native earned his bachelor's degree in mathematics from Colgate in 2001 and his master's degree in education from Salisbury in 2005. He taught high school mathematics at two Salisbury-area high schools for five years.

Dobbins and his wife, Erin, live in Columbus with their daughter, Colleen, who was born Oct. 5, 2010.

2010 SEASON IN REVIEW

In its first season as a member of the ECAC Lacrosse League, Ohio State was 7-8 overall and 3-4 in conference action. The squad was 5-2 at home, including a win in the third annual Showdown in the Shoe in front of an NCAA record crowd.

Freshman Logan Schuss led the Buckeyes in scoring throughout the season en route to ECAC Rookie of the Year and first team all-conference accolades. He was named an honorable mention All-American by the USILA, the first Buckeye to earn All-America honors as a rookie, and his team-high 56 points were the most for a freshman in Ohio State history.

The Buckeyes hit goals throughout the season. Before the spring campaign began the team had already reached its target of 500 community service hours. With 26 players invited to the Ohio State Scholar-Athlete Dinner and a team cumulative grade point average of 3.02, the squad also achieved its academic goals for 2009-10. The squad aimed for half of its 46-man roster to post a 3.0 cumulative GPA to earn an invitation to the annual scholar-athlete dinner and to combine for a squad cumulative GPA of 3.0.

For the third-consecutive season, the Buckeyes set national men's lacrosse records for regular-season and on-campus attendance when 31,078 watched Ohio State down Air Force in Ohio Stadium prior to the football spring game, surpassing the 30,192 from 2009.

HISTORY IN THE SHOE

April 19, 2008, the Ohio State men's lacrosse team set NCAA regular-season and on-campus attendance records when 29,601 fans watched the Buckeyes down Denver prior to the football team's spring game in Ohio Stadium. By the end of the lacrosse game, more than 50,000 fans were in the 'Shoe as the Buckeyes closed out a 20-13 victory over the Pioneers in a Great Western Lacrosse League contest.

The following year, the Buckeyes broke their own record when 30,192 were on hand when attendance was taken during the contest between the Buckeyes and Notre Dame April 25, 2009. The football spring game went on to set a national attendance record of 95,722, with many of those fans in the seats before the lacrosse game ended.

The 2010 edition again broke the national records, as 31,078 watched the Buckeyes down Air Force, 10-6, in an ECAC Lacrosse League game. The contest was televised live on the Big Ten Network, marking the first men's lacrosse game broadcast live on the network.

OHIO STATE AND PROFESSIONAL LACROSSE

BUCKEYES TOP PICKS IN RECENT DRAFTS

Joel Dalgarno, a two-time All-American, was the seventh overall pick in the 2009 National Lacrosse League draft. He also was picked in the MLL supplemental draft entering the 2010 season.

All-American **Kevin Buchanan** was selected in the first round, fifth overall, in the 2008 Major League Lacrosse entry draft by Los Angeles. He was the highest MLL draft pick in Buckeye history.

Three other former Buckeyes joined Buchanan as draft picks in the 2008 National Lacrosse League draft. Buchanan was drafted in the first round (No. 11) by the Minnesota Swarm, who also selected **Ricky Pages** in the fourth round (No. 38). The Chicago Shamrox drafted **Josh Funk** in the second round with the 21st pick and **Steve McKinlay** in the fourth round (No. 37).

A total of 76 players were selected in the six-round NLL draft in 2008, which featured the best young talent from NCAA lacrosse programs at U.S. colleges and universities, as well as Canada's junior lacrosse system. Ohio State was one of just four American universities to have at least four players selected, joining Syracuse, Johns Hopkins and Bellarmine.

Former Buckeye **Greg Bice (2001-04)** was named the 2007 New Balance MLL Sportsman of the Year. In addition, he was selected to the 2007 MLL Western Conference All-Star team. The Riptide won the conference championship before falling in the title game.

The New Balance Sportsman of the Year recognizes a player who has consistently demonstrated sportsmanship through tenacity, determination and fair play on and off the field over the course of the regular season.

Bice has organized after-work athletic and wellness programs at Progress Energy, a company in North Carolina where he is currently employed. In addition, he coaches youth lacrosse in the community and moved to Honduras with his wife, Emily, to teach science and math at an orphanage for a year.
